Vehicle Management Agreement — OWNER EXIT (20/80)

Plan rung: Owner Exit. Owner receives **20%** of Revenue; Company receives **80%** of Revenue. This plan runs until the Vehicle is paid off, at which point ownership transfers to Company.

"Rental Platforms" means any peer-to-peer car-sharing, rental, or rideshare marketplace or booking channel Company uses to list the Vehicle, as Company selects and may change from time to time. "Revenue" means amounts actually received from the Rental Platforms for trips in the Vehicle (including mileage overage fees charged to renters), net of the Rental Platforms' platform fees.

1. Parties

Company: Panamerica Auto, LLC ("Company")

Owner: the vehicle owner identified in Exhibit A ("Owner")

Vehicle: identified in Exhibit A ("Vehicle")

2. Term

This agreement is month-to-month from the start date in Exhibit A, with no initial or minimum term. Either party may terminate this Agreement by written notice. Termination takes effect at the end of the calendar month following the month in which notice is given (for example, notice given at any time in January takes effect at the end of February); see Section 13. If not terminated sooner, it ends when the Vehicle's loan is **paid off in full**, when Section 4's title transfer occurs.

3. Company duties

Company provides full day-to-day fleet operation:

- Bookings management, pricing, and listing optimization on the Rental Platforms
- Guest communication and screening
- Cleaning between trips
- Vehicle setup and delivery logistics
- Day-to-day Rental Platform and fleet operations

Spotlight site listing and market insights are included in this plan at no extra charge.

4. Payoff and title transfer

- Company pays the monthly car payment **in full**, directly to the lender disclosed in Exhibit A.
- Company pays insurance premiums **in full**.

- When the loan is paid off in full, the Owner executes all title-transfer documents within **15 days** of payoff confirmation, transferring ownership and title of the Vehicle to Company free of liens.
- Owner discloses the lender, loan account, payoff amount, and payment details in Exhibit A and cooperates with payoff verification.

4A. Agreed purchase price and payoff schedule

* The parties agree that the total purchase price of the Vehicle is $_____ (the "Agreed Purchase Price"), fixed as of the signing date. This is the full amount Company will pay for the Vehicle, whether paid to the lender, to the Owner, or to both. It changes only by a written amendment signed by both parties.

* A current lender payoff quote, dated _____, is attached to Exhibit A, and the Agreed Purchase Price is based on that quote.

* If the payoff amount is more than the Agreed Purchase Price, the Owner pays the difference (the "Shortfall") in the manner marked in Exhibit A (at signing or deducted from the Owner's share of Revenue).

* Company pays $_____ per month (the "Monthly Payment"). If a lien is disclosed in Exhibit A, the Monthly Payment goes directly to the lender until the loan is satisfied in full; any remaining balance of the Agreed Purchase Price is then paid directly to the Owner. If the Vehicle is owned free and clear, the full Monthly Payment goes directly to the Owner until the Agreed Purchase Price is paid in full.

* Based on the Agreed Purchase Price, the Monthly Payment, and the loan's interest rate of _____% per year, the projected payoff date is _____ (the "Projected Payoff Date"). This date is an estimate: if interest accrues differently than the lender's quote assumes, the date moves, but the Agreed Purchase Price does not.

* The Owner will not refinance, modify, or extend the loan, or take any other action that increases the payoff amount or delays the Projected Payoff Date, without Company's prior written consent. Any increase caused by the Owner's action without such consent is the Owner's sole responsibility.

* When the Agreed Purchase Price has been paid in full -- the loan satisfied in full AND any remaining balance paid to the Owner -- the Owner executes all title-transfer documents within 15 days, transferring ownership and title of the Vehicle to Company free of liens. The projected title-transfer date is _____, 15 days after the Projected Payoff Date.

5. Maintenance

- Maintenance is split 50/50 up to **$500/month total** ($250 each).
- Amounts above the $500 monthly maximum are split in the same 20/80 ratio as Revenue (Owner 20% / Company 80%). The Owner's portion of any maintenance or repair cost is paid first from the Owner's share of Revenue, and any remaining balance is paid by the Owner directly out of pocket.

- If the Owner's portion of maintenance or repair costs above the shared amount is not paid within **5 business days** of Company's written notice, Company is not responsible for any lost Revenue while the Vehicle is unavailable, and Company may suspend its car payment and insurance payments under this Agreement until the balance is paid.

6. Revenue split and payouts

- Revenue splits **20% to Owner / 80% to Company**.
- Company provides a written monthly statement by email by the **10th** of the following month, showing Revenue, car payment and insurance paid, maintenance costs, and each party's share.
- The Owner's net share is paid monthly, by the **15th** of the following month.

7. Maintenance standards and authorization

- The Vehicle is maintained to a roadworthy, guest-ready standard.
- Routine maintenance or repairs of up to **$500 per occurrence** may be authorized by Company without prior Owner approval; the Owner's written approval (email is sufficient) is required only for any single repair, or any month's total maintenance, above $500.

8. Rental Platform operations

- Company operates the Rental Platform listings for the Vehicle, including guest screening and pricing decisions.
- Owner does not interfere with bookings, contact guests about trips, or alter the listing without Company's agreement.
- Insurance claims, deductibles, and damage are 100% the Owner's responsibility. Company covers premiums only where this Agreement says so. Company will help facilitate filing and documentation as needed to complete a claim, but takes no financial responsibility for damage or deductibles and makes no claim to any portion of any insurance payout.

- Renters are allowed 200 miles per day. Mileage overage fees collected from renters count as Revenue and are split under Section 6.

9. Insurance

Company will obtain and maintain insurance for the Vehicle. Company pays premiums in full under this plan (Section 4).

10. Telematics / GPS

If the Vehicle is equipped with GPS or telematics, Company may use location data for fleet operations only (dispatch, turnover, recovery). Company does not share live location data with third parties except as needed for operations or required by law.

11. Owner representations

Owner represents that they own the Vehicle (subject only to the lien disclosed in Exhibit A), that the Vehicle is roadworthy, that at enrollment the Vehicle is 12 model years old or newer and has fewer than 130,000 miles (as recorded in Exhibit A), that they will cooperate with Company's insurance requirements, and that they will not sell, encumber, or transfer the Vehicle while this agreement is in effect. Eligibility is determined at enrollment. A Vehicle that exceeds 130,000 miles during the term remains enrolled with no change to these terms.

12. Liability and indemnity

Each party is responsible for its own negligence or willful misconduct, and will indemnify the other against third-party claims arising from it. Neither party is liable for the other's lost profits or indirect damages.

13. Termination before payoff

If either party terminates before payoff by written notice under Section 2: Company stops making car-payment and insurance payments as of the termination date, the Vehicle stays with the Owner, Company is not reimbursed for payments it already made, and no title transfer occurs. Amounts paid before termination do not create any ownership interest in the Vehicle.

14. Confidentiality

Company keeps the Owner's financial and contact information confidential, and discloses it only with the Owner's consent, as required by law, or as needed to operate the Vehicle (Rental Platforms, insurers, service providers, lender).

15. Notices

Written notice includes email to the addresses listed in Exhibit A.

16. Governing law; entire agreement

This agreement is governed by Florida law. It is the entire agreement between the parties about management and eventual transfer of the Vehicle, and changes must be in writing signed by both parties.
