Vehicle Listing Agreement — SPOTLIGHT (Self-Serve)

Plan rung: Spotlight — self-serve listing. This is **not** a fleet-management agreement.

"Rental Platforms" means any peer-to-peer car-sharing, rental, or rideshare marketplace or booking channel the Owner uses to list the vehicle.

1. Parties

Company: Panamerica Auto, LLC ("Company")

Owner: the vehicle owner identified in Exhibit A ("Owner")

2. What Spotlight is

Company lists the Owner's vehicle on the Fleet partners page of panamericafleet.com to generate leads. The Owner keeps **all** day-to-day responsibility: bookings, guests, pricing, cleaning, upkeep, and maintenance. Company does not operate the vehicle, manage bookings, or handle guests.

3. Tiers and fees

The Owner selects one tier in Exhibit A, billed **monthly in advance**:

- **$10/month — Listing only.** Vehicle listed on the Fleet partners page.
- **$15/month — Listing + insights.** Listing plus monthly anonymized fleet insights (earnings, expenses, and profitability-style market intel).
- **$25/month — Listing + insights + vehicle-opportunity feed.** Marked **"Coming"** — not available and no checkout until the opportunity feed exists. Selecting this tier now places no charge and creates no obligation.

4. Term and cancellation

This agreement is month-to-month. Either party may terminate this Agreement by written notice. Termination takes effect at the end of the calendar month following the month in which notice is given (for example, notice given at any time in January takes effect at the end of February). The current month's fee is non-refundable.

5. Owner duties

- Provide accurate vehicle information and photos for the listing, and update Company promptly when details change.
- Handle all bookings, guest communication, cleaning, maintenance, and upkeep.
- Comply with the terms of service of each Rental Platform the Owner uses and all applicable laws.
- Maintain insurance meeting Florida minimums and the host requirements of each Rental Platform the Owner uses, and provide proof on request.

6. Company duties

- Publish and maintain the vehicle listing on the Fleet partners page.
- On the $15 and $25 tiers, deliver the monthly insights described in Section 3.

7. Owner representations

Owner represents that they own the vehicle or are authorized to list it, that any lienholder is disclosed in Exhibit A, and that the vehicle is roadworthy.

8. Rental Platforms

The Owner operates their own Rental Platform listings. Company does not screen guests, set pricing, or interfere with bookings. Company is not liable for trips, guests, or vehicle condition, since it does not operate the vehicle.

9. Telematics / GPS

If the vehicle is equipped with GPS or telematics, Company does not access location data under this plan.

10. Liability and indemnity

Each party is responsible for its own negligence or willful misconduct, and will indemnify the other against third-party claims arising from it. Neither party is liable for the other's lost profits or indirect damages.

11. Confidentiality

Company keeps the Owner's financial and contact information confidential, and discloses it only with the Owner's consent, as required by law, or as needed to operate the listing.

12. Notices

Written notice includes email to the addresses listed in Exhibit A.

13. Governing law; entire agreement

This agreement is governed by Florida law. It is the entire agreement between the parties about Spotlight listing services, and changes must be in writing signed by both parties.
